

Prediction vs. exact solution

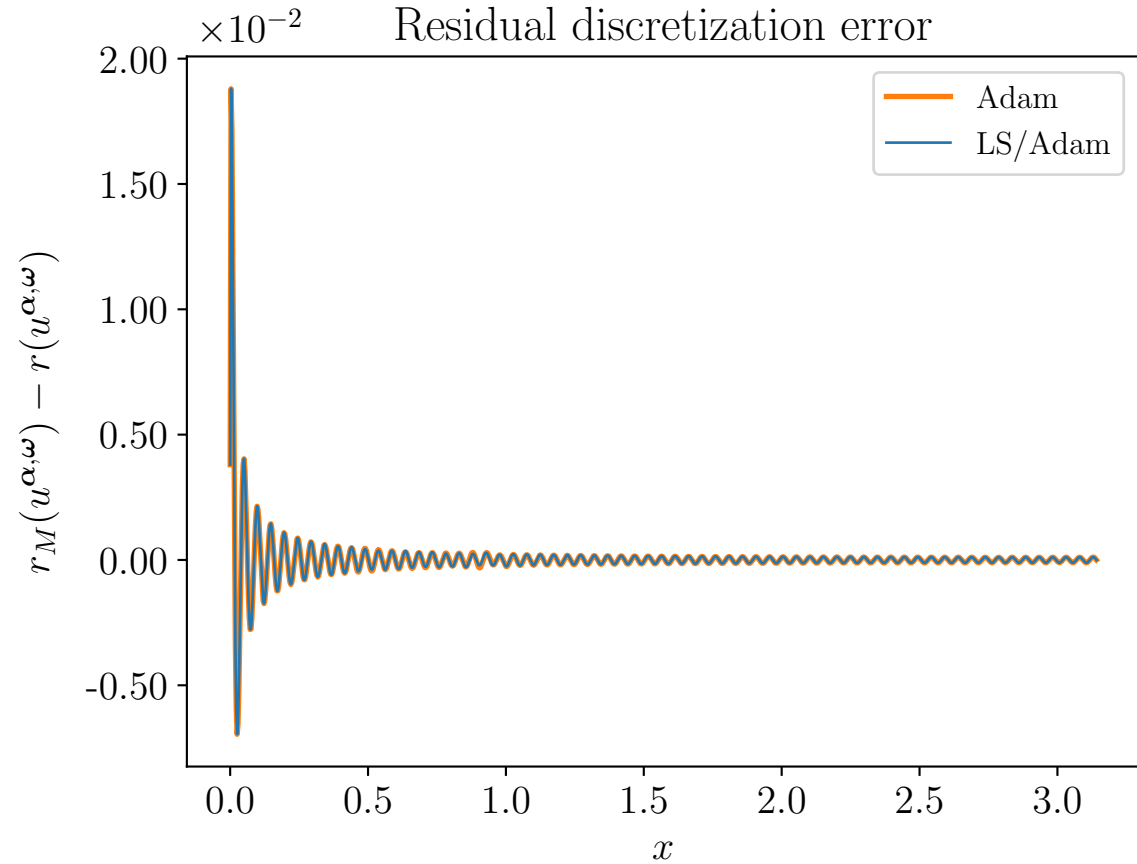

# Error

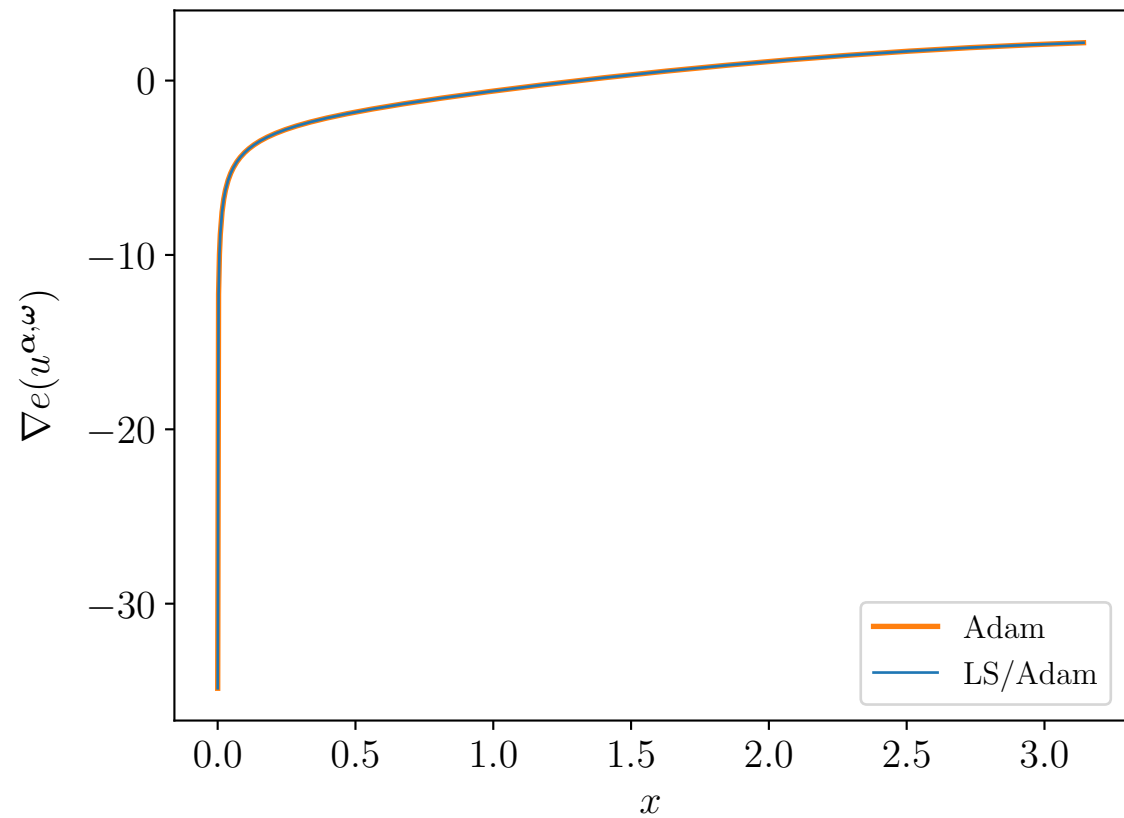

# Discrete residual

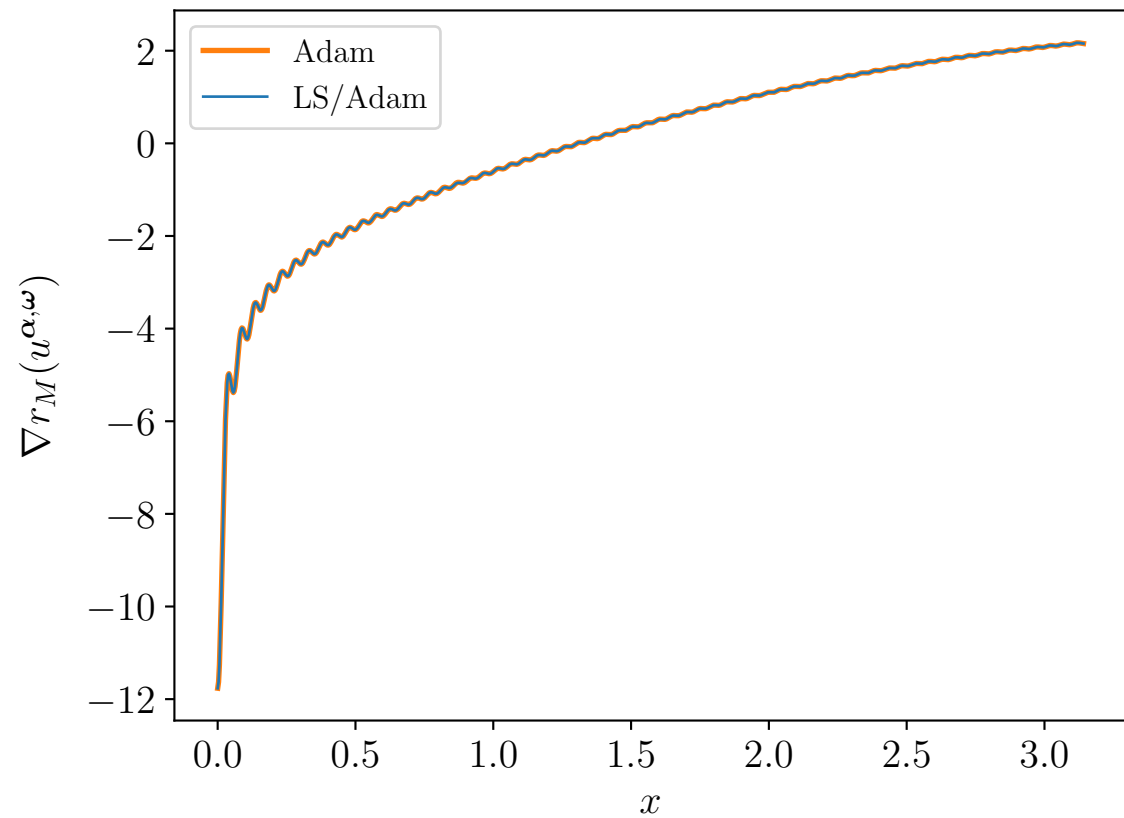

## Residual discretization error

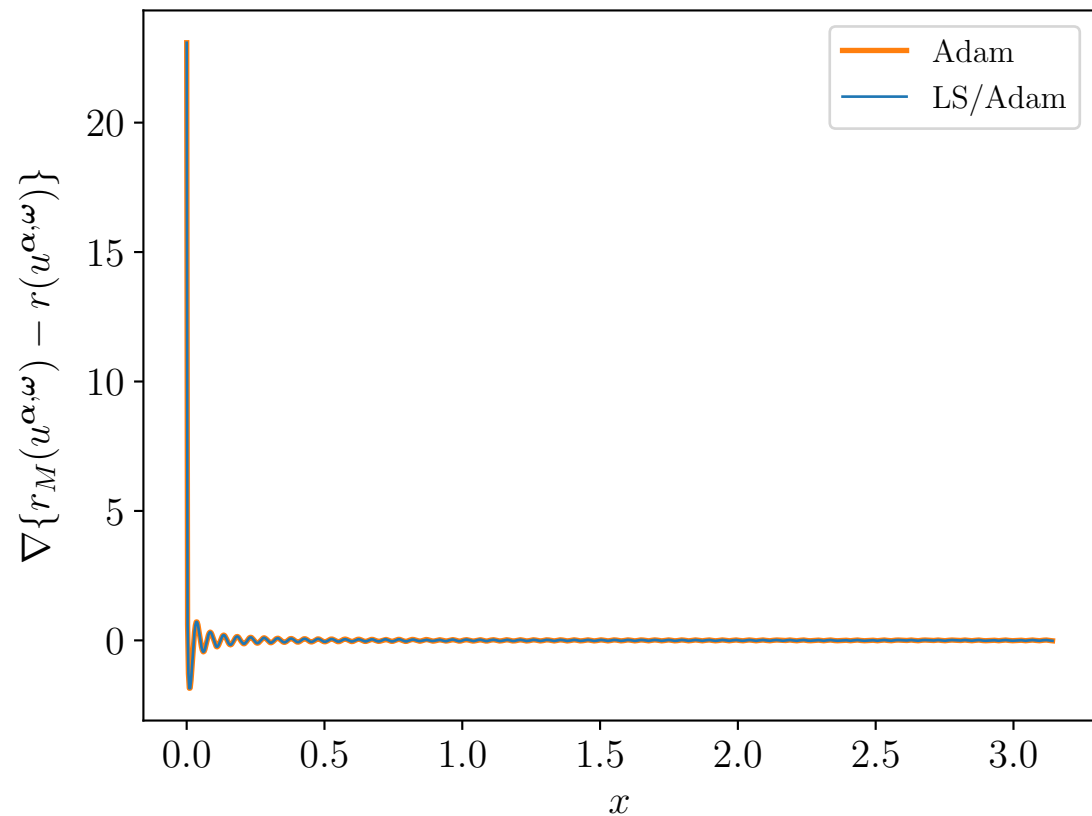

# Derivative of the error

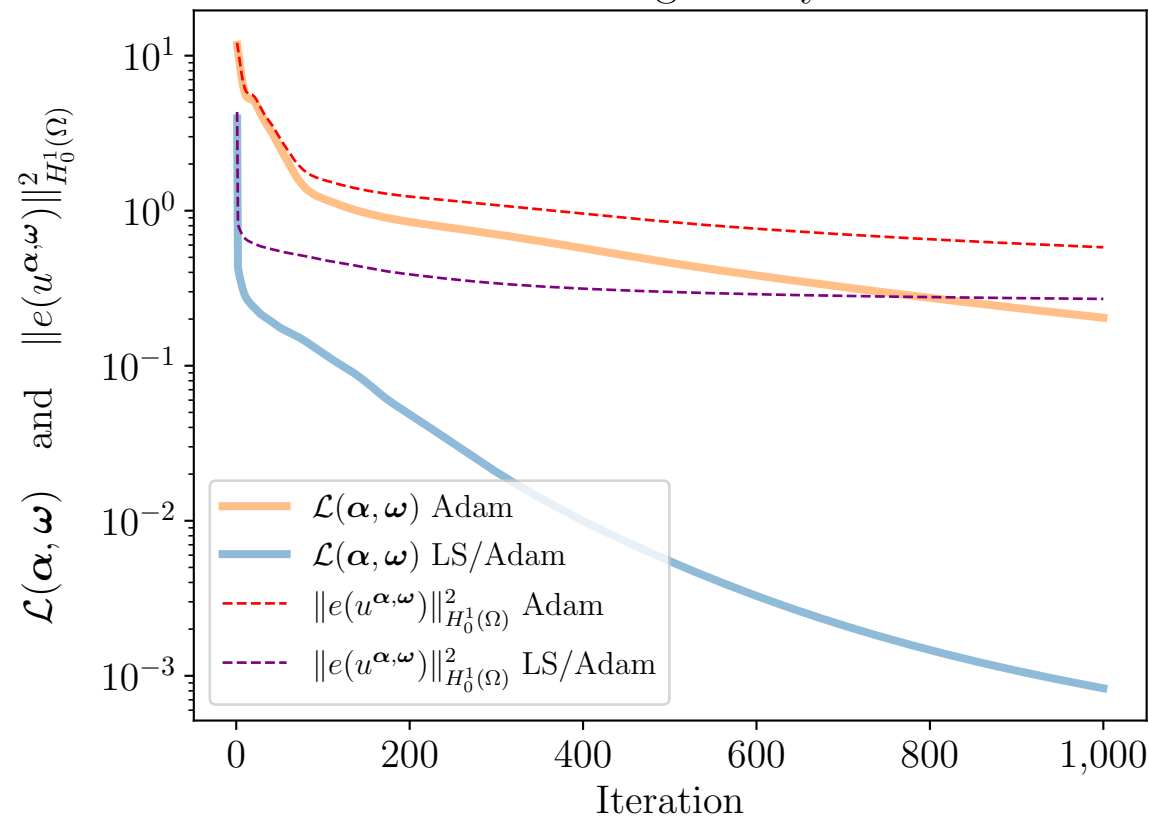

# Derivative of the discrete residual

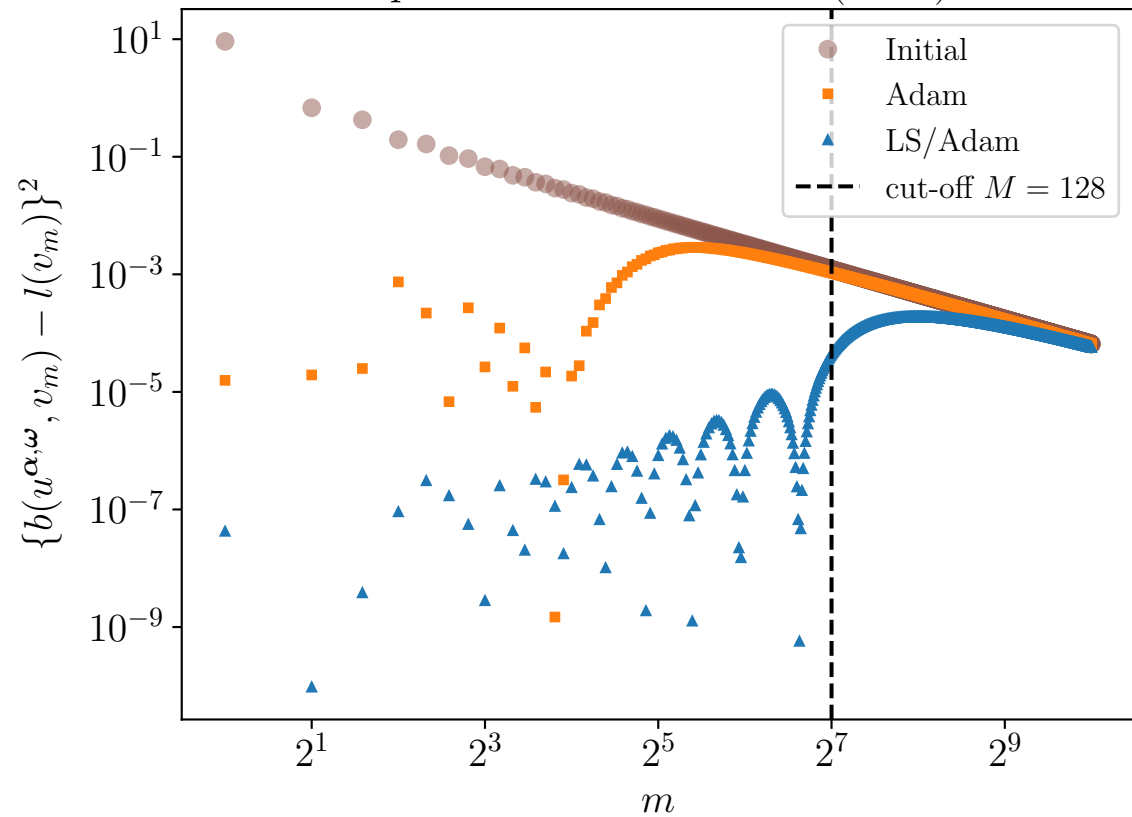

# Derivative of the discretization error

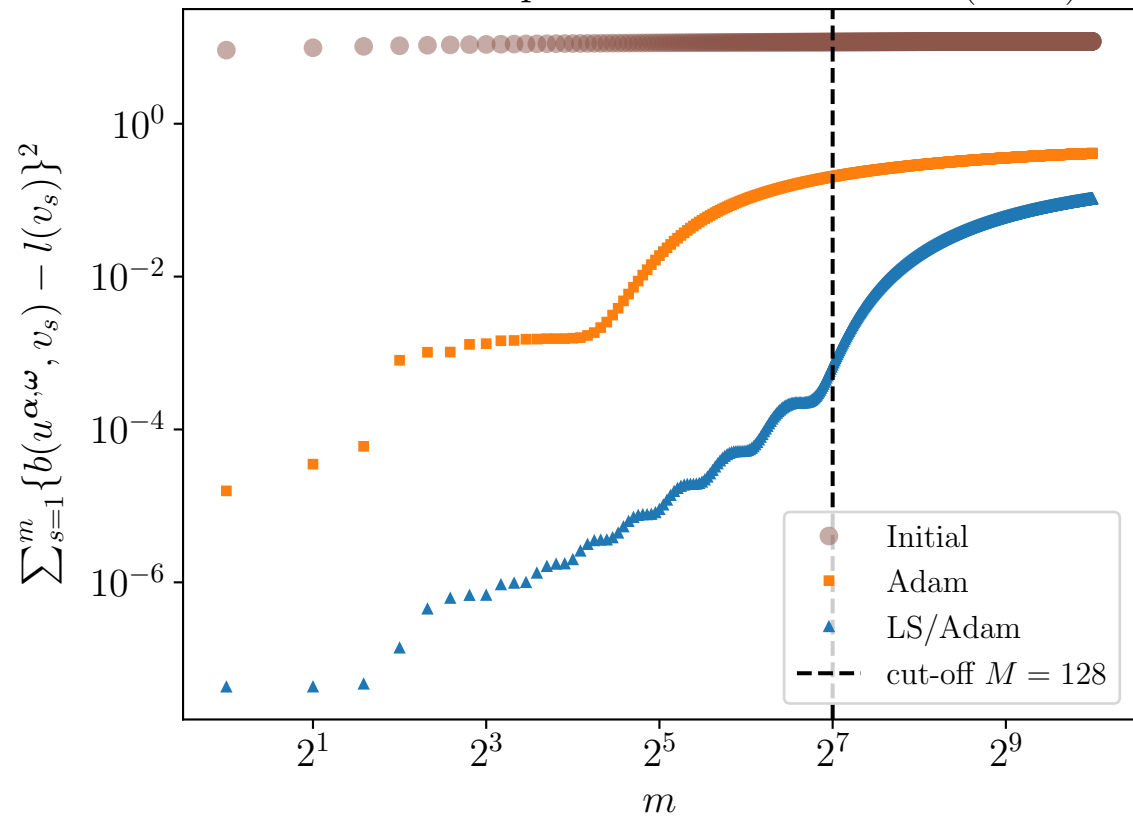

# Training history

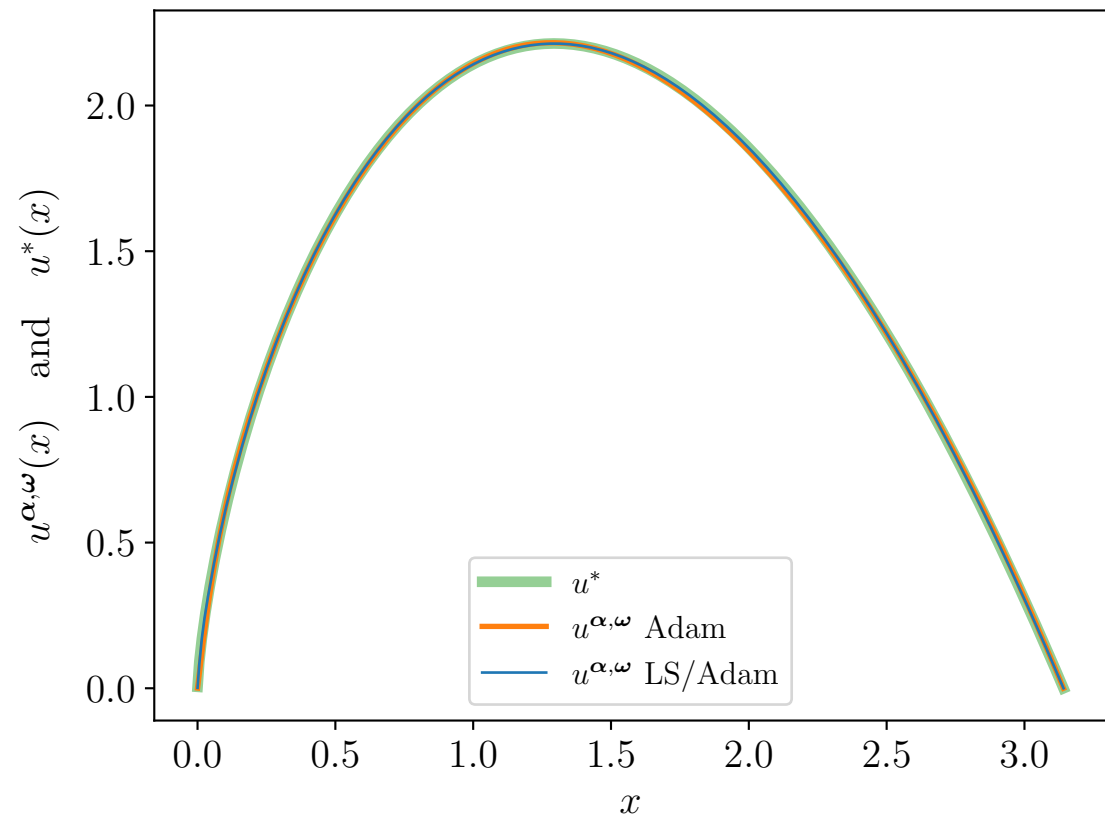

Spectral coefficients of  $r(u^{\alpha, \omega})$ 

Accumulated spectral coefficients of  $r(u^{\alpha, \omega})$

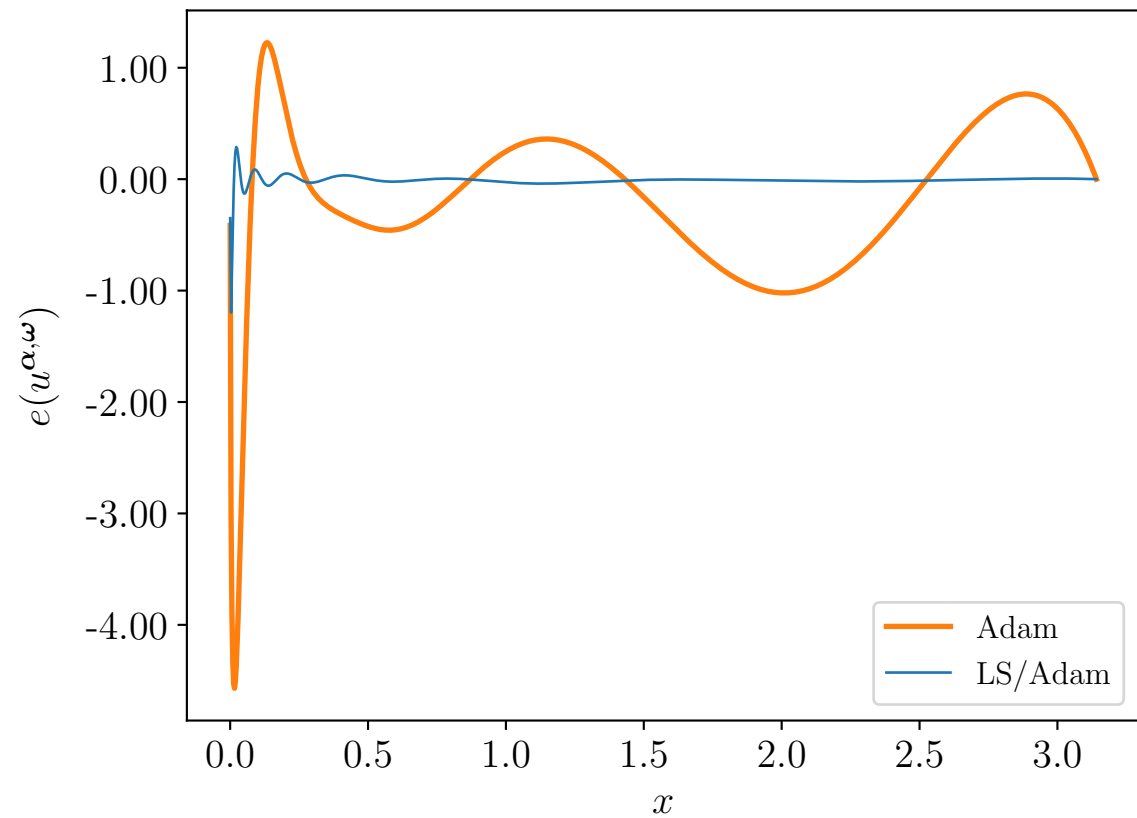

Prediction vs. exact solution

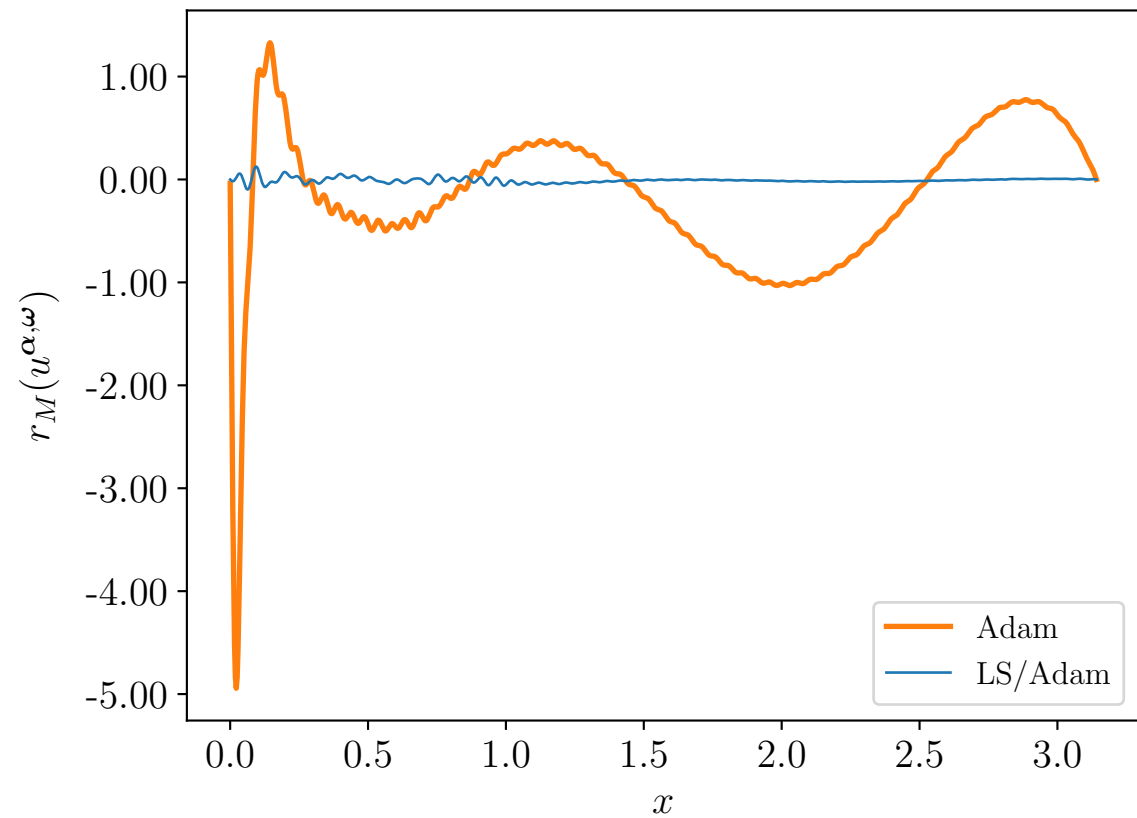

$\times 10^{-2}$ 

Error

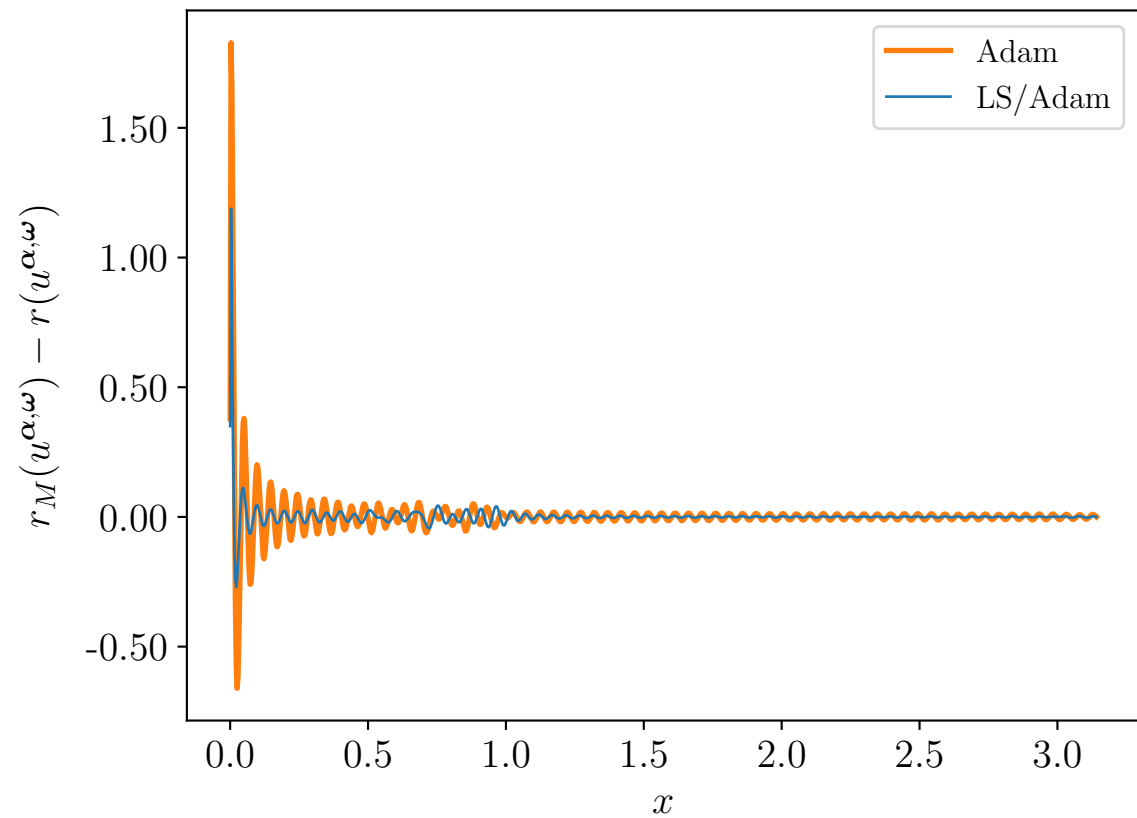

$\times 10^{-2}$ 

Discrete residual

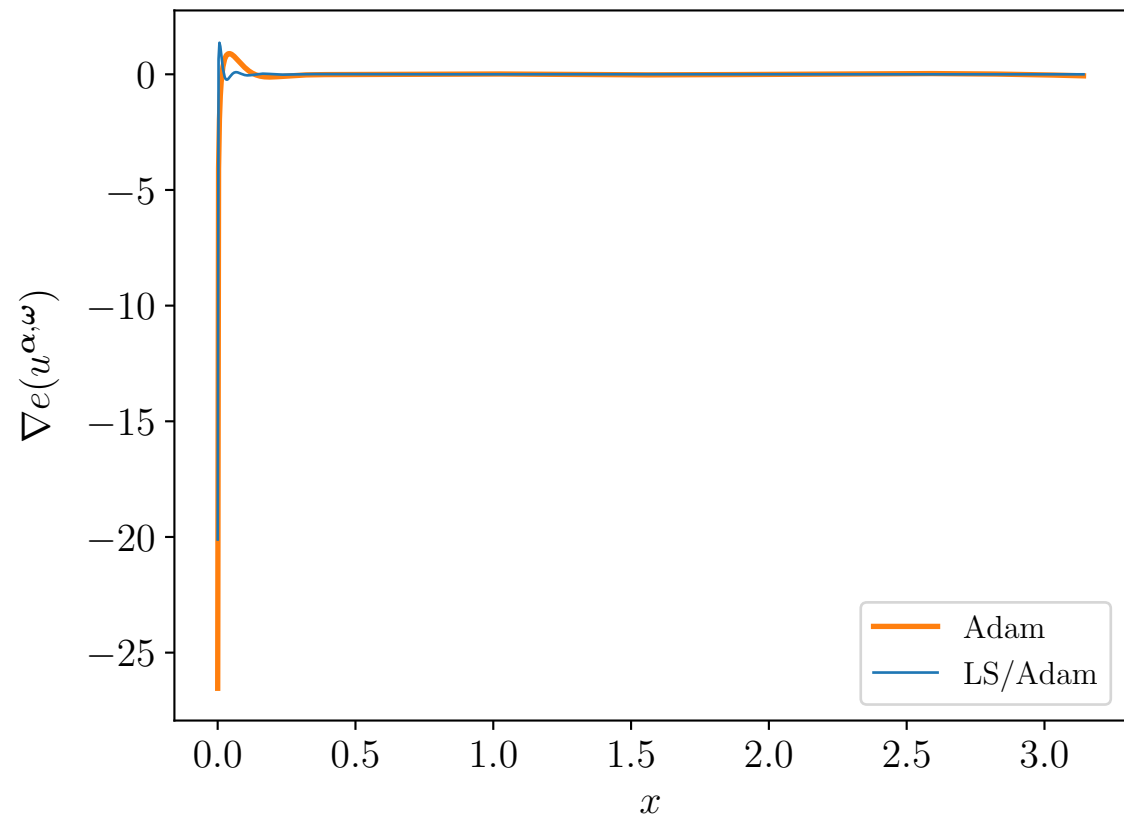

$\times 10^{-2}$ 

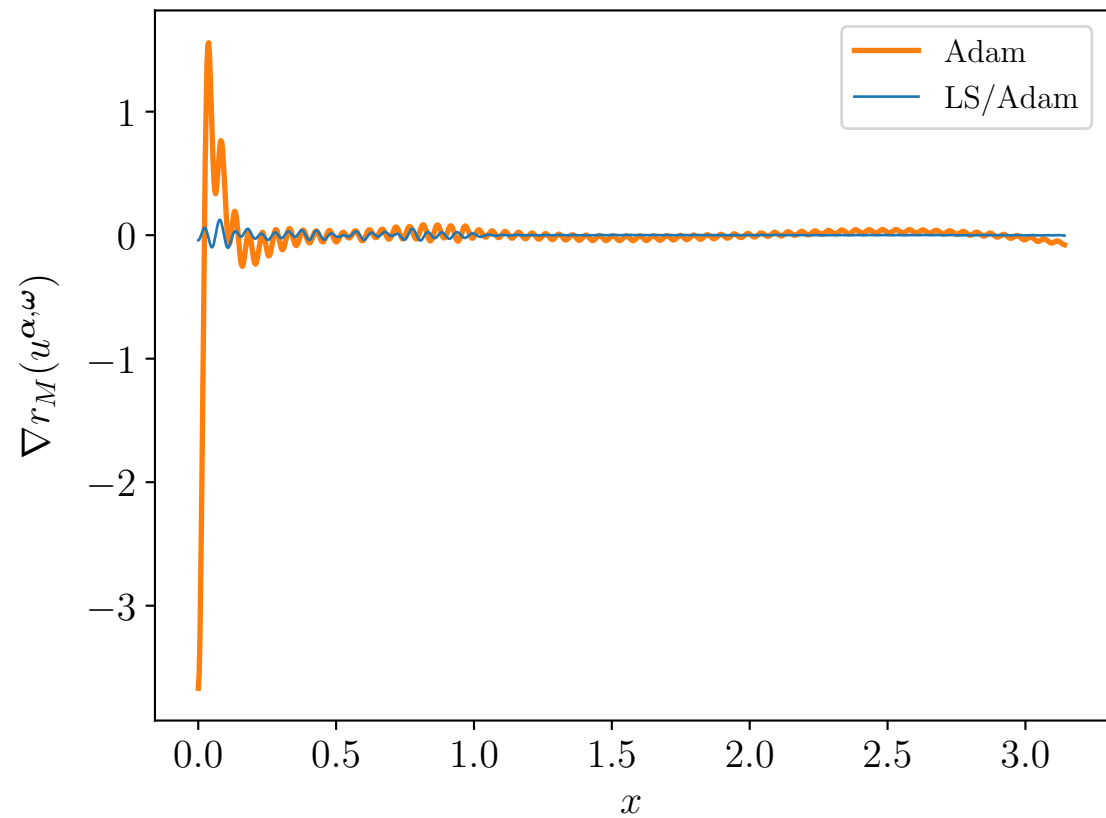

Residual discretization error

# Derivative of the error

# Derivative of the discrete residual

# Derivative of the discretization error
